WINTER 2017-2018

A WARM WINTER GREETING TO OUR ANGEL FIRE RESORT MEMBERS

Summer in Angel Fire was amazing. We saw so many of you enjoying several amenities and activities throughout the Resort, including the Platinum Golf Tournament, Member Dinner Dance and the Texas Shootout Tennis Tournament. Rain or shine, additional highlights of summer included the Summer Concert Series and Farmers' Market, as well as the Angel Fire Food & Wine Roundup, not to be missed in Summer 2018.

As I write this message, October 9th, it's 28 degrees and snowing in Angel Fire. I'm optimistic this is a good sign of things to come for the winter season. Speaking of good things to come, our member events coordinator has been busy planning new and exciting member winter socials. Be sure to mark your calendars for the **Member Holiday Tasting in November**, **Member Ski/Snowboard Preview Day December 7th**, **Telluride Mountainfilm in January** and **Member Winter Weekend in February**. We hope to see you at these socials throughout the season. Please see the full season calendar inside.

Angel Fire provides such a wealth of natural beauty both summer and winter, along with a mix of member events, we're sure you'll find plenty to keep you busy. We greatly appreciate your membership and value your feedback. Feel free to contact the Membership Office at any time or stop by for a visit!

Enjoy your Winter Season Adventures!!

Hometown: Albuquerque, NM

Occupation: Bill - Retired Deputy Police Chief 22yrs, Albuquerque Police Dept
Currently 13yrs at Sandia Labs

Mary Beth - Semi-retired, owns an embroidery company

Children: 2 Children plus 3 Grandchildren and one on the way!

Favorite Angel Fire Activities: Skiing, hiking, golfing, mountain biking and kayaking. (They enjoy turning their driveway into the "extreme luge course" for their grandchildren during winter.)

How were you introduced to Angel Fire: Mary Beth's mother bought a lot and brought them to Angel Fire during Christmas 37 years ago. Eventually Bill and Mary Beth purchased the family lot and hired a local builder to build their home. They currently spend 2-4 weeks each month in Angel Fire.

Favorite part of living in Angel Fire: Mary Beth - "My favorite thing about Angel Fire changes with each season, from the community events in the summer to the leaves in the fall and skiing in the winter! I have met people from all walks of life and am always amazed how they ended up in Angel Fire. Most of all, I love getting up each morning just to enjoy the sunrise."

Bill - "It's as much about the relationships we've built as it is the beauty of the landscape and activities! I also enjoy living so close to the mountain, skiing one moment, then off to the house relaxing within 10 minutes!"

NEW & NOTEWORTHY

NEW BLACK DIAMOND TRAIL AND EXPANDED TERRAIN PARK

Opening this season, "C-4", a new hike-to-access black diamond trail. Located in what was previously out-of-bounds territory north of the ski mountain, C-4 is a new nine-acre challenge with a 1,000-foot vertical drop for the expert skier and a must-hit on a bluebird powder day.

UPGRADED SNOWMAKING, IMPROVEMENTS TO CHILE EXPRESS CHAIRLIFT AND NEW SIGNAGE

The resort has installed a new snowmaking system on the popular blue run, Jaspers. Along with Exhibition and Headin' Home, this improved groomed run will offer skiers an alternate way down the mountain in early season.

The Chile Express, a high-speed, detachable quad chairlift, is receiving an electrical upgrade. The upgrade will allow the chairlift ride to run smoother and with more efficiency.
